**RE: SOUTHWEST HOUSING SOLUTIONS
DETROIT GREENWORKS SOLUTIONS**

To Whom It May Concern:

We have had the pleasure of hiring a graduate of the Detroit Greenworks Solutions program and have been very pleased with the outcome. We feel the Greenworks Certification program is an excellent resource for disadvantaged community members and offers hands on experiences for employment.

Our particular employee that we hired through this program has been outstanding. He has a work ready attitude and is highly motivated. It was also reassuring to know that Detroit Greenworks Solutions vigorously screens all applicants.

We look forward to the opportunity to work with Greenworks Solutions in the future; Detroit Greenworks Solution truly is making a difference in Detroit.

Sincerely,

Jerome Morgan
President
